Grant of Vacant Site to the devotees of the Sri Soundara temple at Chidambaram

Sir

With Reference to the correspondence ending with your letter No A 3 e 2468/46-47 of 22 8-47 on the above subject, I am directed to enquire why so much land is required for the ~~temple~~ Sri Soundara temple at Chidambaram when there is already ample open space in the site on which the temple is located. The need for additional space may be clearly explained. The estimated value of the site proposed to be given to the temple is stated to be Rs 2001 only and it is not clear how the market value of the site in the locality is so low as one and a half annas per sq yd. It may also be verified properly whether this land belongs to the Chidambaram Municipality.

A clear report on the above points may be furnished very early.
